DIE

A large, bold, white graphic of the word "DIE" is centered on a black rectangular background. The letters are thick and blocky, with a slightly irregular, hand-drawn feel. The 'D' is on the left, followed by the 'I', and then the 'E' on the right. The 'E' has three horizontal bars. The entire graphic is set against a solid black background.

Dear Ibbi-Sin,

I know you told me to go to the cities of Isin and Kazallu to collect supplies, but on my own I have thought of a much better idea. Unless you send me more money, soldiers, and boats, I will not be coming back to Uruk with the supplies that were gathered which you need to survive. Thank you, and be sure to think about this.
