In order to successfully complete this project you are going to need to create a presentation with the following elements.

1. Title slide with your name on it.
2. Name of artwork and who painted it.
3. Artist- Who was the artist, when did he live and what is he famous for?
4. Patron- Who was it painted for?
5. Location- Where was it made and where was it displayed?
6. Context- What was happening in the world when it was created?
7. Style- How did the artist paint this? Is it life like? Dramatic Colors? Big brush strokes?
8. Symbology- What is the painting supposed to represent? How does it do that?
9. Critical Analysis- What do you think about it? Does this piece of art speak to you in anyway? What do you like about this piece?
10. Current location- Where is it now? Who owns it? How much is it worth?
11. Each slide should have a relevant visual aid on it along with your answers to the question.
12. Your presentation will be 200 seconds-10 seconds per slide and 20 slides total. It is your discretion how to distribute your 20 slides.
